

## Teams Work, Then Win

### TEAM

A bowler, team member, does not have to be physically gone (absent) to be out of the team:

If it can be observed they are bored, negative, resentful, disruptive, passive, obstinate, downcast or rattled, they have already left the team. They are passengers with an attitude to be offloaded. Or they will be.

### TEAMWORK WINS

#### Teamwork principle reinforced within the term TEAM

T Target, training, tactics, together, trust  
E Expectation, engage, excited, excellence  
A Attitude, appreciation of roles, application of yours  
M Mutual, member, measured (performance).

No one, not one of us, is as good as all of us.

Know all: he who does the same, gets what he always gets, nothing.

Knowledge: gained through hard work together on the track.

Knowing: How well you trained and how to apply it on the green.

The word teamwork includes the word work. You get nothing without hard work.

### TEAMWORK

T Together, committed  
E Embrace excellence  
A Attitude, all about practicing habits  
M Mutual milestones,  
W Winning  
O 'Oneness'  
R Respect  
K Kindred leadership
