

Teams Work By Building

Team building of players, think team

Team building requires everyone to be selfless and think team.

THINK TEAM

Know our purpose
Know what we stand for
Know where we want to go
Our goals drive us
Leading requires leadership
Trust
Conviction
Embrace one another
Know who we are individually and collectively
Prime time prepare well
On time, start time, finish on time
Prime game adopt a winning attitude as others will react to it
Think a positive culture
Our culture will attract and retain quality people

Teamwork from team building

We feel stronger because of who is around us in the team.
And, when it all goes pear shaped everyone knows you are the one who gets us all (attitudinally) back on the bike.
Be that team member who reminds us what we need to do to get back to winning. (3)
