Game Plan Fours Team

OBJECTIVE :

to do our best collectively and individually

OUTCOME :

win the fours event

STRATEGY

HOW

Measurable objectives, behaviours

- win the game by winning the majority of the ends it is called patience
- aim to have 50% acceptable/ ML deliveries per end
- losing ends, keep shots lost at very worst to 2 shots that end
- aim to have one of first two deliveries to be within ML every end
- aim to have a MINIMUM 50% deliveries each 3 ends within ML,
- deliveries 5-6 to be consolidating or attacking
- final 2 deliveries to comply with game plan

Qualitative objectives

Each player to perform their own 'pb'

Each team member to ...look & learn..from Leads deliveries every end

leads and seconds to have 2/4 bowls in Mat length of the head , minimum 18/25 ends per game

all players to have 50% acceptable/ ML deliveries

ends lost keep shots lost to 2

by ENJOYING the challenge – PRAISE together

Break the game ends into a number of 5 end segments to review progress

Team meeting, review progress review game plan

minimize losses by keeping the losing score on any end to a maximum of 2 scoring shots

play only MIN or MAX length ends

play the preferred hand

jack delivery vital to the above length of play

do not change a winning game

regardless of the team result and your performance, contribute to the competition team debrief

PRE-EVENT STRATEGY

set our plan a year before the event

Train regularly together Tuesdays & Thursdays or as scheduled

Discuss, set, practice and review objectives over the season with team mates in readiness for the final

Enter competition with same formats as a proposed team
